

**REPORT ON THE
CONDUCT OF THE BAUCHI
STATE 2019 BUDGET
PUBLIC HEARING IN THE 3
SENATORIAL DISTRICTS
BY
THE BAUCHI STATE PLANNING
COMMISSION
NOVEMBER, 2018**

The aim of the Bauchi State Budget Public Hearing is to produce all inclusive and participatory governance by giving the stakeholders an opportunity to make contributions in terms of inputs into the state budget.

2. AIM AND OBJECTIVES

Associations, just to mention but a few. The budget public hearing is resulting into a lot of input coming from different organizations State chamber of Commerce, Achaba Riders associations, Market stakeholders and associations such as the butchers associations, farmers and traders of tracking the government performance in the areas of basic needs, the outcome of general public are having much interest in not only participating but give much inputs in the areas of their concern as they defined it, not only that but using it as a medium with wider acceptance, feeling of ownership and support.

The budget public hearing is becoming an area of concern by the citizen whereby the Multi-Year Budgeting framework (MTF) is to give opportunity to the stakeholders at all levels (Non-Governmental Organizations NGOs), Civil Society Organizations (CSOs), Community Based Organizations (CBOs) and indeed the entire citizens of the State, make their contributions into the Budget (which will eventually be incorporated) for articulation, consolidation for transmission to the State House of Assembly for their screening, analysis and passage. Additionally, the Budget Public Hearing is also another way of getting a larger number of the State populace becoming aware of the Government Policies and Programmes as well as also having access to make input into it, hence making the Budget as all inclusive and participatory one, with wider acceptance, feeling of ownership and support.
